

## Leader Guide, Week 5 | Kingdom Authority

### I. Objective: You're filled to flow in Kingdom authority for breakthrough & healing!

In this fifth session, we're going to be discussing Kingdom Authority and it is going to be powerful! We're not just talking about what Jesus has given us—we're stepping into it. Set some time aside in the end for an activation. As you guide the discussion, create space for real talk, testimonies, and questions. Some in your group may already be walking in healing ministry, while others might just be learning about it for the first time. That's okay! Your role isn't to have all the answers, but to help people lean in, process, and grow. Encourage them to be open, to expect God to move, and to take steps of faith. Let's lead with boldness—**Heaven is near, and breakthrough happens when we step into what Jesus has already given us!** Lastly, sign your group up for **Serve Day on March 15th!** See details on page 3.

### II. Group Activation: Healing & Breakthrough\*

*Step 1: Prepare Your Heart* – Spend time in worship, thanking God for who He is. The more your heart is aligned with Him, the easier it is to flow in the Spirit. Surrender your thoughts and allow the Holy Spirit to move freely—in your tongue, mind, and heart.

*Step 2: Pray* – Pray over the group and ask the Holy Spirit to move.

*Step 3: Ask* – Have the group members ask God for a Word of Knowledge about a condition or health issue and have them write it down.

*Step 4: Share* – Have the group members share the words they received and if it pertains to anyone, ministry in the flow and pray for that person to receive healing and breakthrough in their life.

*Step 5: Test* – If the condition can be tested, test the healing! If there is total healing, celebrate! If there is a partial healing, celebrate then pray again!

## Serve Day Details – March 15th ([mycenterpoint.tv/serveday](http://mycenterpoint.tv/serveday))

When Jesus was with His disciples, they didn't just eat together and have great conversations. While they DID do that, **Jesus also sent them out into the community to serve those in need**, spreading the Good News and advancing the kingdom of God with love. Serve Day is an opportunity for you and your group to do just that!

On Serve Day, we **come together as the church** to make a difference in our community. While we may each be serving on our own throughout the year, Serve Day is an opportunity for us to rally together as a church family and serve our community with a coordinated effort to express the love of Jesus in tangible ways.

### Here's how Serve Day works:

- We'll meet on campus at **7:30 AM** for check-in ✓
- Grab **coffee** and a donut ☕🍩
- **GO** into our community to SERVE 🗺️
- Return around noon for **lunch** 🍴
- Then share stories of impact and **celebrate** God's goodness 🎉

Most of our teams are **family-friendly**, and there are plenty of ways to get involved, including yard work, painting fences, prepping food boxes for a local pantry, and spending time with our senior community.

### Your Role as a Group Leader:

Help your group decide on one area to serve **TOGETHER**. Shared experiences strengthen the bonds of a group – how much more when it's marked by the Spirit of God flowing through you to serve others!

### During your group time:

- **Mark your calendars for March 15th**
- **Go through the Serve Day opportunities and choose one**
- **Register everyone on the same form (i.e. have people enter their info on one device)**
- **Remind your group as we get closer to Serve Day!**

Let's SOW together!
